The right-hand panel shows pipeline details for commit `cdb38813`. The pipeline is named "Pipeline #301 for master" and includes a job named "test". The pipeline duration is 16 minutes and 19 seconds, with a 1-hour timeout. The runner used is `#3 (1qLcSXHW) sd-runner`.

Contributions

Infrastructure

The screenshot shows the 'Projects' page on the Fedeproxy website. It features a search bar, a filter dropdown set to 'Personal', and a list of projects. Each project entry includes a profile picture, name, repository link, and update status.

Project Name	Owner	Update Status
Ceph / ceph	Owner	Updated 4 months ago
Ceph / ceph-backport	Owner	Updated 1 week ago
Ceph / ceph-workbench	Owner	Updated 1 week ago
Lukic Dachary / fedeproxy	Maintainer	Updated 3 days ago
Fedeproxy / fedeproxy	Owner	Updated 3 days ago

The 'FROM OUR BLOG' section highlights community news. It features three 'Forge Federation: Monthly Report' posts (6/9, 3/9, 4/9) and a 'DIVERSITY IN FREE SOFTWARE REQUIRES WORK' post. Each report includes a flame icon and a brief summary of work during the month.

FROM OUR BLOG

News from the Fedeproxy Community.

- FORGE FEDERATION: MONTHLY REPORT 6/9** (10 AUGUST 2023)
Most of the work during the last month was around testing with Clive and Luke were mainly to apply for a grant for Fedeproxy as well. Testing with testing, forage, Clive and Hoptoad also made.
- FORGE FEDERATION: MONTHLY REPORT 3/9** (10 AUGUST 2023)
Most of the work during the last month was writing code, publishing the July release and preparing the July release. Collaboration with testing, forage, Clive and Hoptoad also made.
- FORGE FEDERATION: MONTHLY REPORT 4/9** (10 AUGUST 2023)
Most of the work during the last month was writing code, publishing the June release and preparing the July release. Collaboration with testing, forage, Clive and Hoptoad was involved.
- DIVERSITY IN FREE SOFTWARE REQUIRES WORK** (10 JULY 2023)
Gail 2023 User Research, Hoptoad, Clive and Luke had an idea to create Free Software and decided to make it happen. Many projects are born out of ideas every year.

The screenshot shows the GitHub repository for Fedeproxy. It displays a list of issues categorized by labels: Development, Funding, Events, DevOps, UX / User Research, and Diversity. Each issue entry includes a title, a description, and a count of issues.

Category	Count
Development	2
Funding	3
Events	3
DevOps	3
UX / User Research	3
Diversity	3

The screenshot shows a Slack conversation in the 'Town Square' channel. The conversation includes a reminder about a meeting and a discussion about proofreading a report.

Town Square
fedeproxy (friendly reminder about the code of conduct).

I'm proofreading the report before sending it.

dachary 12:23 PM
Sent!

pilou 12:52 PM
I didn't proofread :/o

Yesterday

dachary 12:29 PM
Gentle reminder about today's meeting 3:30pm UTC+2

pilou 1:23 PM
This reminder proves to be useful 😊

Today

dachary 12:29 AM
@pilou in case you're around, are you available for cowork September 22nd?

pilou 12:30 AM
yes

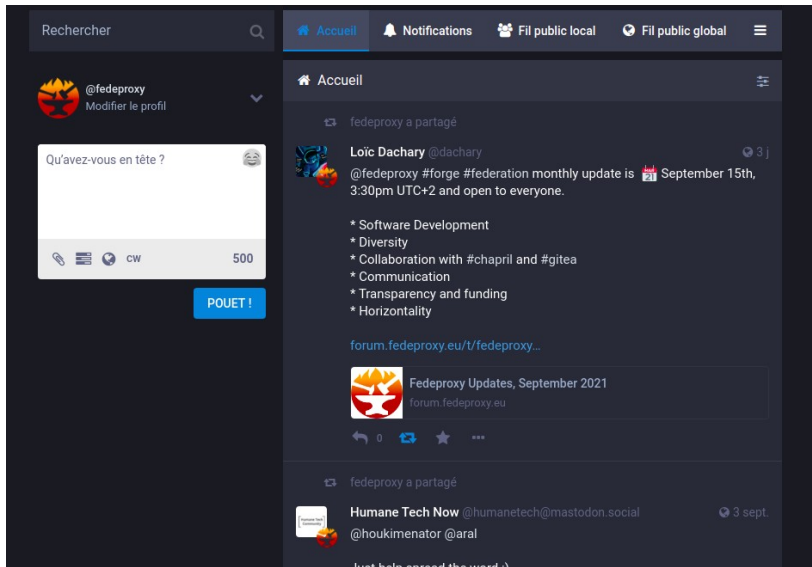

dachary 12:41 AM

The screenshot shows a Trello board for Fedeproxy. It displays several project cards and milestones, including 'A3 reachout users', 'A4 feedback related changes', 'A5 reachout GitLab', 'I3 fedeproxy user interface', 'O2 production', and 'Deliverables for technical evalua'. The board is organized into columns for 'Upcoming cards', 'All boards', 'Shared with you', 'Add board', 'Milestones', 'Backlog', 'In Progress', and 'Done M4'.

Fedeproxy

- Upcoming cards**
- All boards**
- Shared with you**
- Add board**
- Milestones**
 - A3 reachout users (Advocacy) in 4 months
 - A4 feedback related changes (Advocacy) in 4 months
 - A5 reachout GitLab in 4 months
- Backlog**
 - I3 fedeproxy user interface (Implementation) in 2 months
- In Progress**
 - O2 production (Operation) in 13 days
- Done M4**
 - Deliverables for technical evalua
 - A1 reachout Git (Advocacy)

Sustainability 2022

The screenshot shows the NGI website homepage. At the top, there is a dark blue navigation bar with a 'Subscribe to our Newsletter' button, a search bar, and social media icons for Twitter, LinkedIn, Facebook, and Instagram. Below the navigation bar, the NGI logo is on the left, and a menu with 'GET FUNDED', 'NGI INNOVATORS', 'NEWS & EVENTS', 'JOIN NGI', 'WHAT IS NGI', and 'LIBRARY' is on the right. The main content area features a quote from Alina Khayretdinova: "In DECIDE, we want to evaluate the usability and user experience of existing DID solutions based on the Blockchain technology. The NGI-Trust open call gave us this opportunity." To the right of the quote is a circular portrait of Alina. Below the quote are four buttons: 'GET FUNDED!' (with a lightning bolt icon), 'NGI INNOVATORS' (with a lightbulb icon), 'JOIN US!' (with a share icon), and 'THIS IS NGI' (with a heart icon).

The screenshot shows the Horizon Europe website. At the top right, it says 'EUROPEAN UNION' with the EU flag. The main heading is 'HORIZON EUROPE' in large, 3D block letters. To the right of the heading is the hashtag '#HorizonEU'. Below the heading is a colorful illustration of people in various settings (a person in a wheelchair, a person on a bicycle, a family, etc.) and a rocket in the sky. Below the illustration is a quote from Mariya Gabriel: "With a budget of EUR 95.5 billion, and a set of modern instruments, Horizon Europe will be an extremely powerful and world-leading research and innovation programme. It has been co-designed with European citizens to meet their expectations and needs. The programme's investment will return knowledge and solutions to improve our lives as well as create thousands of new jobs in research and innovation." Below the quote is a circular portrait of Mariya Gabriel. At the bottom, it says 'BUDGET' in purple, followed by 'HORIZON EUROPE - THE MOST AMBITIOUS EU RESEARCH & INNOVATION PROGRAMME EVER' in orange. The date 'April 2021' is visible in the top right corner of the content area.
